Date _____

Delivery:

The LinguaNet package (licence(s) software and installation manual) will be dispatched when a completed order form is received. When the LinguaNet package arrives please contact Prolingua so that suitable site names can be fixed and the special key code(s) issued for the installation.

Value Added Tax:

If you are ordering from a country within the EU but outside the UK please give us your VAT number otherwise we will have to add VAT at the appropriate rate. VAT will be added to all orders from the UK.
